

## **Jean Work Scholarship Fund**

Jeannie Work was an extraordinary person. She was a business woman as a licensed massage therapist, a realtor and had her own art framing business, "Works Frame Shop". And Jeannie was also a volunteer, board member and a PATH Int'l certified Instructor at GAIT Therapeutic Riding Center. An avid outdoor-adventurous person, she biked, hiked, kayaked and rode horses. She loved riding horses! Jeannie would meet her 'partner-in-crime' (Martha Dubensky) at 6 am many mornings so they could get a ride in before each had to go to work.

Jeannie loved to work with the people with special needs at GAIT and particularly enjoyed the adult population. Her military background gave her slight stature a commanding presence in the arena, yet her human service background gave her the compassion that was so endearing to others. At her passing, March 24, 2009, the Allan and Wendy Kaplan family established a scholarship fund in Jeanie's name to help those who cannot otherwise afford to attend any of the sessions at GAIT. Recipients of the Jean Work Scholarship are asked to give back by helping at a fundraiser, volunteer in the office or sprucing up the grounds at the GAIT Center. All are also asked to write a testimonial for our website and/or for grant purposes.

If you would like to donate toward the Jean Work Scholarship fund please send your donation to GAIT TRC, P.O.Box 69, Milford PA 18337 or visit paypal on this website.
